Date of availability of IAC doses: (optional).....

TERMS OF USE:

A/ Mounting Type:

For the 2026 breeding season, the stallion is available in frozen semen only.

B/ Order for frozen semen:

Sending frozen semen straws is not automatic!

It is done on order from the seller by email: yegudadasiereinos@gmail.com before the mare arrives at the insemination center.

This contract entitles the holder to the provision of glitter, not to a purchase.

Unused sequins remain the property of the seller.

C/ Embryo transfer:

This contract is valid for a single foal. In the event of embryo transfer, the buyer agrees to inform the seller of the number of embryos re-implanted into surrogate mares, and the buyer will be required to pay a stud fee corresponding to the type of breeding chosen in this contract per foal born.

(i.e., €1500 excluding VAT for PRE, or €600 excluding VAT for OC)

D/ Mating certificate / birth declaration:

The mating cards in Verified Origin are made via the IFCE – SIRE.

The mating cards in PRE are carried out via the ANCCE - AECE.

These will be issued by the seller. **The seller agrees to forward the mating declaration upon payment of all invoices.**

The buyer agrees to declare the birth of the foal within 48 hours.

The seller reserves the right to block the issuance of the birth certificate in the event of unpaid invoices from the buyer. Products are eligible for registration with the SIRE (French National Register of Animals) and with the AECE (French Association of Animal Breeders) for PRE (Preferred Animals).

Registration with SIRE is automatic, once the declaration invoices have been paid to IFCE and AECE (ANCCE).

SPECIAL CONDITIONS:

- ÿ The buyer declares to be aware of the conditions under which inseminations with semen are carried out.
Frozen semen. He will enter into a separate agreement with the insemination center for the boarding of his mare, and under no circumstances can the seller be held responsible for any damage that may occur to the buyer's mare.
- ÿ The costs of placement, insemination, boarding, gynecological monitoring, and any necessary tests are not included in the contract and are the responsibility of the buyer.
- ÿ We strongly advise our buyers to have their mares tested at a minimum for contagious metritis (AI).
This remains optional, however the disease seriously influences the success rate of a pregnancy.
- ÿ The stud service request will be validated upon receipt of this signed contract and full payment for the stud service and technical fees.
This contract is valid for the 2026 season, for insemination in France and Europe.
- ÿ Prices are shown excluding and including VAT. VAT is applicable to stud services. It is recoverable by professionals.

The Buyer affirms that they are clearly informed of the terms of this contract. They accept the above clauses and acknowledge that no guarantee has been given regarding the expected result.
